Jane Marilyn Haines Foster Scholarship

Mrs. Foster, a graduate of Greenfield High School, went on to earn multiple higher education degrees, including a doctorate. She spent her life teaching and volunteering in both the Head Start Program and in the public-school system with a focus on disadvantaged students. Her husband of over sixty years, Gilbert Davis Foster, and her children and grandchildren established this scholarship in her memory to carry on her legacy by helping to make a college degree possible for a full-time Greenfield-Central student who may not otherwise be able to afford it and to promote equity in education.

Financial need will be considered, but students who are **Twenty-First Century Scholars are not eligible**. One \$8000 scholarship will be given per year.
